

## Report on Parliament visit by volunteers of NSS Aryabhata Unit

On **September 19, 2023**, a group of **15 female volunteers** of NSS Aryabhata visited the Parliament of India to represent the NSS unit. The visit was a great opportunity for the students to learn about the new Indian parliamentary system and to see how democracy works in practice.

The students were also invited by Meenakshi Lekhi, a Member of Parliament from BJP and the current Minister of State for External Affairs and Culture of India for breakfast at her residence.

Then the students began their tour of the new Parliament. They saw the Lok Sabha (Lower House) and the Rajya Sabha (Upper House) chambers, and observed that the Lok Sabha chamber has incorporated the national bird, the Peacock, while the Rajya Sabha has featured the national flower, the Lotus, in their respective structures.

The visit was made successful under the guidance of Program Officer. The parliamentary visit was a valuable learning experience for the NSS Aryabhata students. It gave them a firsthand look at the new Indian parliamentary system. It also inspired the students to get involved in civic engagement and to make a difference in their communities.
